

**Model 700BF(I)  
Integrated Freezer Drawers**

Integrated refrigeration can be used anywhere in the home. It merges seamlessly into the décor, with no visible hinges or grilles. Model 700BF(I) is a 27" wide base unit with freezer storage in both drawers. Model 700BFI features an automatic ice maker.

**Features**

- Integrated design blends invisibly into custom cabinetry
- Microprocessor offers precise temperature control
- Electronic digital controls
- Flat-to-the-ceiling bright interior lighting
- Open drawer alarm
- Automatic ice maker (Model 700BFI)
- Meets strict Department of Energy requirements

This appliance is certified by Star-K to meet strict religious regulations in conjunction with specific instructions found on [www.star-k.org](http://www.star-k.org).
